

Draw the Libro witch!

Using a pen or pencil, first trace around the outline of the witch. Is your witch going to be smiley, grumpy or silly? What will she be wearing? When you have decided, start to draw these lines inside the outline.

The Libro witch has a cat, what sort of pet will your witch have? Perhaps a bat or a mouse? You choose!

When you're happy with all of the outlines, it's time to grab your favorite colors and use them to bring your witch to life!
